

SERO

Rack Mounted

Application

DataCan's Rack Mount Surface Box is similar to our standard Single Gauge Surface Box, but in a different, rack mountable package. Users can easily switch between 120-240V AC and 12V DC.

Benefits

DataCan's Rack Mount Surface Box is easily mounted in a standard 19" rack. It also has a lot of storage, meaning the customer does not need to get back to it right away, which is great for when it is being used in an isolated area. Set-up and data download is quick and easy via a USB connection.

Features

- Display Read Out
- 20 Million Sample Capacity
- Set-Up & Download Via USB
- 120-240V AC or 12V DC Settings
- Expansion telemetry cards for multi-well platforms
