

Temperature Transmitter

Benefits

The Temperature Transmitter has a compact design and low power consumption, making it cost effective for the customer. It also produces the same high quality data that our downhole gauges produce; data that is high accuracy and high resolution while being very reliable.

Features

- Easy to Use Software
- Digital Chart Records
- Multiple Sensor
- Custom Pin or Box Connections Upon Request

1.25" Temperature Transmitter - SS17-4

Maximum Pressure	Temperature	Part No.
