

# Clamp

## Banding

### Application

If your well is vertical, then we often don't use clamps and simply band cable directly to the tubing string. This obviously comes with risks. Land operations often band instrument cable with no problems.

### Features

- Low Cost
- Fast

### 0.75" x 0.025" Banding

Part No.	Description
100549	Banding_0.75"x0.025"_SS316
100560	Seals For Banding_1000 per Box_SS316
102538	Banding_0.75"x0.025"_SS304
102539	Seals For Banding_1000 per Box_SS304
